"With CereTax Sales Tax, we've seen a dramatic reduction in time spent on manual processes. The new system has truly streamlined our operations. Having a knowledgeable support team made all the difference. They were responsive to our specific questions and helped us feel supported throughout the transition and after."

IDEAL LIVING — Lina Pinskaya

"We've replaced Avalara as our tax solution for retail and wholesale taxing of telecom. Our experience has been stellar in terms of their taxing engine but over-the-top stellar in terms of support, training, onboarding, etc."

ALIANZA — Scott Bell

"We went through the onboarding process with CereTax and were thoroughly impressed. The entire experience was smooth, easy, and incredibly convenient. The team at CereTax was professional and proactive, which made the process straightforward and hassle-free."
